

### Latest Information

Booking is not essential, although we would recommend that you book in advance via our website.

Indoor service is limited to guests in groups of six or two households (no limit on number) is permitted. Outside service is limited to guests in groups of up to 30 people. Each household can include a support bubble if eligible.

We are currently operating with table service; a server will take your table when you are seated.

The well being of our customers and team members is our main priority.

We have created a safe and comfortable environment for both our customers and team members, therefore there may be some minor changes to your usual Fatsos' visit.

Everyone over the age of 11 must wear a face covering upon entry, exit and when not seated at a table. We have increased our cleanliness and hygiene procedures. We have enhanced our regular cleaning regime to ensure that all surfaces and touch points are regularly cleaned and sanitised daily.

Please always speak to a team member before you sit down at a table, even if the table looks like it is available.

We are strongly encouraging customers to pay by contactless and card payments when possible, to avoid customers and our team members handling cash.

Safe social distancing measures will be enforced throughout each restaurant. We kindly ask that you respect these measures during your visit, they are in place for your own safety and follow the current guidance.

To assist with the NHS Test & Trace system, please download the NHS Test & Trace app prior to your arrival and scan the QR Code to easily check in upon entry. Every customer over 16 years of age must check in by using the NHS app or complete a paper test and trace form. If a customer refuses to complete test and trace they will be refused entry.

Children must be supervised at all times, to ensure the safe social distancing measures are followed.

Please always speak to a team member before you sit at a table, even if the table looks like it is available.

Finally, for your own safety and our team members' safety, please do not visit our restaurants if you are unwell or have been in contact with anyone who has Covid-19 symptoms.
